It's Not Too Late

Bible Study on **GENESIS** will be starting **October 7** at the home of Doug and Karen Ross, 8520 Lake Road. The study is from 7-8 PM. We meet every Tuesday night and usually take a 2-week break over Christmas. We're flexible. If you need to miss a night, you will still have the study book and can work on it at home and then bring questions if you have them the next week. We will be using Life Change Series on Genesis and we ordered extra books in the hope that we would have new people joining the study group. It's a great way to explore the Bible and study as a group and possibly get some answers to those questions you have always had about Genesis. Bring a Bible (if you have one; if not, we have several versions available for you to use). Call us if you have any questions. 421-2970. **JOIN US!**

Weekday School

SAFETY FIRST!! For your own children's safety, please enter the church lot per one of the North entrances and exit per the South exit. Also **please**, come into the building to pick up your children. Since weekday school is only an hour long, feel free to come in, participate in the opening and then spend some quiet time in the Narthex. Browse the library or perhaps meet some new (or old) friends. Feel free to visit your child's class at any time. If you haven't yet signed up to help with your child's class, that is something else to think about. Any time you can give will be appreciated by the teachers and then you will have some first-hand insight into what your children are studying.
